The Jersey Township Board of Trustees are partnering with Woodline Tracking to provide an Emergency Communication Plan for the residents.

A thirty-six foot tower has been installed at the township building at 1481 Mink Street to provide for communication during an emergency.

Woodline Tracking 101 Radio Class

When: Saturday, August 23, 2025 from 1:00 p.m. to 3:00 p.m.

This class will go over 2M/70CM types of Radios and equipment, how they work and how to use them with the Emergency Communication Plan for Jersey Township.

You will need no equipment for the training; radios will be provided. If you have a 2M/70CM radio you would like to use, you can bring it. During the training the type of radio needed for personal use during an emergency will be discussed.

To help us prepare please let the township know if you will be attending by calling (740)927-0331 or send an email to Laura Brown at lbrown@jerseytownship.us.
